

**USA Hockey's American Development Model (ADM)
guidelines for coaching players 8 years and under:
"34-40 half-ice practices and 16-20 half-ice games per season."**

**We believe that is a GREAT IDEA!
And you can get you 'half-ice' here!**

Border Patrol Rink Divider

High-density foam boards, with super durable, puncture-resistant vinyl covering. Individual boards measure 120" in length, in 12" 22" and 42" heights, attaching to each other with strong Velcro straps. Safe, lightweight, and easily portable.

Maximizer Rink Divider

Solid 3" tubular aluminum frame construction, with .220" HDPE puckboard, and .500" caprail. Full 36" high, 90" long panels. Available to suit NHL and IIHF size rinks, and custom sizes too. Suitable for stick-on advertising. Each system includes one gate panel and storage cart.
